Tuilleadh eolais/More information	
Tá fás tagtha ar Éasca Péasca le roinnt blianta anuas ó chuntas ar na meáin shóisialta a chuireann an Ghaeilge chun cinn, go dtí ardán ar líne a chuireann cúrsaí Gaeilge agus ranganna beo ar fáil. Is é an misean atá againn ag Éasca Péasca ná cabhrú leo siúd atá ag déanamh staidéir do scrúduithe dara agus tríú leibhéal, muinín a thabhairt do thuismitheoirí agus iad ag cabhrú lena bpáistí, tacú le múinteoirí atá ag iarraidh a gcuid Gaeilge a fheabhsú agus muintir an oileáin agus an domhain a spreagadh chun dul i ngleic lenár dteanga náisiúnta álainn. Is féidir teacht ar ár gcúrsaí ag áit ar bith agus ag am ar bith. Tá an cumas agat freisin súil a chaitheamh ar na ceachtanna chomh minic agus is mian leat mar gheall go bhfuil siad i bhfoirm físeáin.	<i>Éasca Péasca has grown over the last number of years from a social media page promoting and teaching the Irish language through creative alternative methods to an online platform providing on-demand Irish courses, live online classes and one to one tutoring. Our mission at Éasca Péasca is to help those studying for second and third level exams, to give parents the confidence when helping their kids, to support teachers looking to improve their level of Irish and to encourage people from all around the island and the world to reconnect with our beautiful national language. Our courses can be accessed anywhere and at any time. You also have the ability to revise the content as often as you want due to the lessons being in video format.</i>
