Oibrím le múinteoirí agus scoileanna a mbíonn ag lorg duine le Gaeilge chun machnamh agus aireachas a chur ar fáil don fhoireann agus do na daltaí.. Gael scoileanna is mó a bhíonn ag lorg mo chuid seirbhísí. De bharr sin, tá múinteoirí, tuismitheoirí agus daltaí tar éis teacht chugam ag lorg mo chuid seirbhísí... cóitseáil intinne... chun dearcadh níos fearr a chothú iontu féin. Is iontach an rud é bheith in ann na seirbhísí siúd a ofráil i nGaeilge do na daoine. I mo thuairim féin, is rud speisialta é éisteach le machnamh trí Gaeilge le fuaimneanna na Gaeilge ann.

I work with teachers and schools who seek someone with Irish to provide reflection and attention to staff and students. My services are mainly sought by Irish medium schools. As a result, teachers, parents and students have come to me looking for my services... mind coaching... to foster a better perspective in themselves. It is great to be able to offer those services in Irish to the people. In my opinion, listening to reflection through Irish with the sounds of Irish is special.
