Bunaíodh *Terry Doyle Woodcrafts* i 1990. Is déantóirí caibinéad muid a dhéanann agus a sholáthraíonn troscán saincheaptha, lámhdhéanta do cheannaitheoirí géarchúiseacha sna margaí baile agus tráchtála.

Founded in 1990, we are cabinet makers who manufacture and supply quality bespoke, handmade furniture to discerning buyers in the domestic and commercial markets.

Oibrímid le réimse leathan táirgí lena n-áirítear:

- Ábhair leatháin

- Veinírí, cloch / marmar
- Gloine
- Miotail
- Leictreachais a shuiteáil do shoilse agus gléasanna

We work with a wide range of products including:

We make mainly off-standard furniture to suit your individual needs.

Déanaimid troscán as an ngnách den chuid is mó agus riachtanais ar leith an chustaiméara á gcur san áireamh.

Ar na catagóirí sin tá:

- Deasca fáilte
- Oifig chorparáideach agus bhaile
- Feistiú siopaí agus caibinéid taispeántais
- Leabhragáin agus aonaid cuasán
- Caibinéid radaitheora
- Cistin, seomra leapa agus seomra suí

Seo mar a oibrímid:

Buailimid leis an gcliant sa bhaile nó ina hoifig/oifig leis an spás a fheiceáil. Glacaimid an t-am chun na dúshláin atá rompu agus na riachtanais shonracha atá acu a phlé leo. I ndiaidh a bhfís a phlé, déanaimid líníocht scálaithe agus praghsáil dá réir sin. Ag an bpointe sin is féidir athruithe a dhéanamh ar an dearadh go fóill, más gá.

Nuair atá an cliant sásta dul ar aghaidh, cuirtear tús leis an obair inár stiúideo agus suiteálfar é, a mhéad is féidir, gan cur isteach ar sceideal an chliant. Níl rud ar bith níos fearr dúinne ná sásamh na gcliant a fheiceáil agus an tionscadal críochnaithe.

Some of the categories include:

- Reception desks
- Corporate & home office
- Shopfitting & display cabinets
- Bookcases & alcove units
- Radiator cabinets
- Kitchen, bedroom & living Room

Here's how we work:

We meet the client in their home or office to see their space. We take the time to discuss with them their challenges and their specific needs. Having discussed their vision, we do a scaled drawing and price accordingly. At this point changes can still be made to the design if necessary.

Once the client is happy to proceed, the work will take place in our studio and will be fitted with the least amount of disruption to the client's schedule. Nothing pleases us more than seeing the happy faces of satisfied clients when their project is complete.
